

Stephen Sanchez - Something About Her

tom:
A (forma dos acordes no tom de G)
Capostrate na 2ª casa
Intro: Am D
There must be something about her
That you love, don't you, dear?
Something about her

[Primeira Parte]

She was kinder to me than most girls would ever be
I'm over the moon, and I'm sad to see it end so soon
Oh, what have I done?
I'd never thought this way for love
Convinced that it is all because

[Refrão]

There must be something about her
That you love, don't you, dear?
Something about her terrifies all my fears
She sits in a smile, with eyes looking through
What's the point of all this music if I'm not here to dance
with you?

There must be something about her

[Segunda Parte]

It'd be wiser for me to run away from all I see
I can't resist, what good is love if not to miss
Your hands or your eyes
Or the way that yours just look in mine?
I'd die to live for any little part of this

[Refrão]

There must be something about her
That you love, don't you, dear?
Something about her terrifies all my fears
She sits in a smile, with eyes looking through
What's the point of all this music
If I'm not here to dance with you?
There must be something about her

[Final]

Ooh-ooh-ooh
Must be something about her
