

Stephen Swartz - Bullet Train

Tom: E

Moving like the speed of sound
 Feet can't keep on the ground
 Can't stay in one place
 Keep moving like a bullet train
 Like a bullet train
 Like a bullet train
 Like a bullet train

Darling don't you dare look down
 Cause everything you have is all gone now
 Can't stay in this place
 It won't be the same
 Keep moving like a bullet train
 Like a bullet train
 Like a bullet train

'Cause I can't stop time
 You keep blurring in my mind
 And space is undefined
 These tracks left behind

Abm
 We can't stay the same
 Can't stop this train
 I can't find the breaks
 On this bullet train
