[Verse 1]  
Cm Eb Fm Ab  
He'd trade his guns for love  
But he's caught in the crossfire  
Eb Fm Cm  
And he keeps wakin' up  
But it's not to the sound of birds  
Eb Fm Cm  
The tyranny, the violent streets  
Ab Cm  
Deprived of all that we're blessed with  
Eb Fm Ab  
And we can't get enough, no

[Chorus]  
Cm Eb  
Heaven if you sent us down  
So we could build a playground  
Cm Eb  
For the sinners to play as saints  
Fm Ab  
You'd be so proud of what we've made  
Cm Eb  
I hope you got some beds around  
Fm Ab  
Cause you're the only refuge now  
Cm Eb Fm  
For every mother, every child, every brother  
Ab Cm Eb Fm  
That's caught in the crossfire

Can I trust what I'm given?

So I'm asking from above

Can I trust what I'm given, even when it cuts?
