

# Stephen - Hello (Adele Cover)

tom:

F

Hello, it's me

I was wondering if after all

These years you'd like to meet

To go over everything

They say that time's

Supposed to heal ya

But I ain't done much healing

Hello, can you hear me?

I'm in California dreaming about

Who we used to be

When we were younger and free

I've forgotten how it felt before

The world fell at our feet

[Refrão]

Hello from the other side

I must've called a thousand times

To tell you I'm sorry

For everything that I've done

But when I call you never

Seem to be home

( Dm Bb F C )

[Riff 1]

Dm F C Bb

Hello, how are you?

It's so typical of me to talk

About myself I'm sorry

I hope that you're well

Did you ever make it out of that town

Where nothing ever happened?

[Refrão]

Dm Bb F C

Hello from the other side

I must've called a thousand times

To tell you I'm sorry

For everything that I've done

But when I call you never

Seem to be home

( Dm Bb F C )

(Mashup com 'Rolling in the Deep' junto com o riff de guitarra)

We could have had it all

Rolling in the deep

You had my heart inside of your hand

And you played it to the beat

[Riff 1]
