

Steppenwolf - It's Never Too Late

Tom: A

D
Your eyes are moist, you scream and shout
E
As though you were a man possessed
D **A**
From deep inside comes rushing forth
E
All the anguish you suppressed
D **A**
Up on your wall hangs your degree
E
Your parents craved so much for you
D **A**
And though you're trained to make your mark
E
You still don't quite know what to do

--Refrão--

D **A** **E**
It's never too late to start all over again
D **A**
To love the people you caused the pain
E
And help them learn your name
D **A** **E**
Oh, no, not too late
D **A** **E**
It's never too late to start all over again

(igual à primeira parte)

Well, it's much to late to start again
To try and find a little bliss
So on your woman and your child
You release your bitterness
You drift apart some more each day
You feel the guilt and loneliness
And the God of your childhood you can't find
To save you from your emptiness

It's never too late to start all over again
To love the people you caused the pain
And help them learn your name
Oh, no, not too late
It's never too late to start all over again

You say you've only got one life to live
And when your dead your gone
Your family comes to your grave
And with tears in their eyes
They tell you, you did something wrong
"You left us alone"

Tell me who's to say after all is done
And you're finally gone, you won't be back again
You can find a way to change today
You don't have to wait 'til then
