

# Stereophonics - Don't Let The Devil Take Another Day

tom: Eb

I look high up at the aeroplane Eb Cm

And I thought of all the places I could fly away Eb

I never noticed the lights have changed Eb

And I crashed my car and didn't get far in the morning rain Eb

Ab

And then I turn around Bb

I thought I must have been Cm

Dreaming for some better days Ab

Ab Cm

Heaven help me darling won't you help me heal my mind Eb

Don't let the devil take away another day Eb Cm

Stay lady stay let's take a walk just stick around Ab Eb

Don't wanna let the day get away Eb Cm

You set me free on my great escape Ab Eb

And I dream of all the places we could hide away Eb Cm

I never notice the night from day

Ab Eb

And we talked all night till the candlelight burned out its flame

Ab

And then we walked around Bb

My feet back on the ground Cm

Dreaming for some better days Ab

Ab Cm

Heaven help me darling won't you help me heal my mind Eb

Don't let the devil take away another day Eb Cm

Stay lady stay let's take a walk just stick around Ab Eb

Don't wanna let the day get away

[Solo] Ab Bb Cm Ab

Ab Cm

Heaven help me darling won't you help me heal my mind Eb

Don't let the devil take away another day Eb Cm

Stay lady stay as they can watch you stick around Ab Eb

Don't wanna let the day get away

( Eb Cm Ab Eb Cm )

Ab Eb

Don't wanna let the day get away
