

Stereophonics - Forever

Tom: **G**
Intro: **G C G C**

G
Sun beats down on my mind on a friday morning **C**
G
driving round on a sea as to the sky so wide **C**
G
took for granted all the things I forgot I'd known **C**
G
slapped in the face kneeled me down I'm out of control **C**

D **C**
I'd like to know
D **C**
where I'm supposed to go

G **C**
wish I could fly away forever
G **C**
wish I could take your pain from you and release you

G **C**
dream of ways loosing days how could we hope to fight this **C**
G **C**
seasons change leaves fall on the frozen ground **C**
G **C**
like a rock standing tall only way to play it **C**
G **C**
get you through you will grow into a shooting star **C**

D **C**
I'd like to know

D **C**
where I'm supposed to go

G **C**
wish I could fly away forever
G **C**
wish I could take your pain from you and release you **C**
G **C**
wish I could fly away forever
G **C**
wish I could take your pain from you and release you

G
could fall down wont fall down
C
dont know how dont look down
G
just dream of ways to
C
keep on keeping on til

G **C**
fly away forever
G **C**
wish I could take your pain from you and release you **C**
G **C**
fly away forever
G **C**
wish I could take your pain from you and release you **C**
G **C**
fly away forever
G **C**
wish I could take your pain from you and release you **C**
