Maybe one thing
Maybe something
Maybe nothing
All I know is friend
It's nothing new
Maybe it's me
What is to be
Maybe lucky
All, I ask is where
We're supposed to be

I give a lot
I take a lot
It's nothing new to me

Maybe you've grown
Am I so wrong
How long's too long
All I want is us to be happy
Maybe moving
Always proving
Am I losing
All that's meant to be
That's meant to be

I give a lot
I take a lot
It's nothing new to me

Maybe laughing
Something lacking
Always sometimes
All I hear is how it's meant to be
Maybe learning always searching
Am I asking things I'll know too soon
I'll know to soon

We talk a lot
Don't do a lot
It's nothing new to me

I give a lot
I take a lot
It's nothing new to me
It's nothing new to me
It's nothing new to me
