Tom: **Ab**

(com acordes na forma de D)  
Capotraste na 6ª casa

This riff (played by the bass on the album)  
adds interest for a single guitar accompaniment:

Live Kelly Jones plays this riff instead:

[Verse 1]

**D** **D** **D** **G**  
Open my eyes, today's a new day,  
**D**  
Tell myself, take my time,  
**D** **G**  
Put the brakes on my brain,  
**D**  
Wrap me up, ...spin me 'round, spit me out,  
**D** **G** **G** **G** **G**  
I could feel either way,  
**Em** **A**  
So maybe you're down in the gutter,  
**Em** **A** **A**  
Or high in the clouds, it don't matter!

[Chorus 1]

**D** **D**  
Song for the summer, song for the rain,  
**D** **G** **G** **G** **G**  
Get a little closer to see clear a - gain,  
**D**  
Song for tomorrow, song for today,  
**D** **G** **G** **G** **G**  
Come a little closer to feel right a - gain!

[Verse 2]

**D** **D** **G** **G** **G** **G**  
All this while, which road should I follow?  
**D** **D** **G** **G** **G** **G**  
Sit yourself down, come 'round to - morrow,

**D** **D**  
Wrap me up, ...spin me 'round, spit me out,  
**D** **G** **G** **G** **G**  
It's always the same,  
**Em** **A** **A**  
So maybe you're down in the gutter,  
**Em** **A** **A**  
Or high in the clouds, it don't matter!

[Chorus 2]

**D** **D**  
Song for the summer, song for the rain,  
**D** **G** **G** **G** **G**  
Get a little closer to see clear a - gain,  
**D**  
Song for tomorrow, song for today,  
**D** **G** **G** **G** **G**  
Come a little closer to feel right again!

[Break]

[Chorus 3]

**D** **D**  
Song for the summer, song for the rain,

Song for tomorrow, song for today,

Come a little closer to feel right a - gain!

[Chorus 4]

**D** **D**  
Song for the summer, song for the rain,

Come a little closer to feel right a - gain!
