

Steve Aoki - Just Hold On (feat. Louis Tomlinson)

Tom: **B**

(com acordes na forma de **G**)

Capostrate na 4ª casa

Wish that you could build a time machine

So you could see

The things no one can see

Feels like you're standing on the edge

Looking at the stars

And wishing you were them

What do you do when a chapter ends?

Do you close the book and never read it again?

Where do you go when your story's done?

You can be who you were or who you'll become

If it all goes wrong

Darling just hold on

The sun goes down and it comes back up

The world it turns no matter what

If it all goes wrong
Darling just hold on

Whoa-oh-oh-oh
(Darling just hold on...)

Whoa-oh-oh-oh
(Darling just hold on...)

Em **G**

It's not over until it's all been said

It's not over until your dying breath

So what do you want them to say when you're gone?

That you gave up or that you kept going on?

What do you do when a chapter ends?

Do you close the book and never read it again?

Where do you go when your story's done?

You can be who you were or who you'll become

If it all goes wrong

Darling just hold on

The sun goes down and it comes back up

The world it turns no matter what

If it all goes wrong
Darling just hold on

Whoa-oh-oh-oh
(Darling just hold on...)

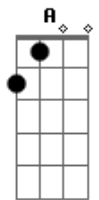

Whoa-oh-oh-oh

If it all goes wrong

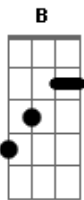

Darling just hold on

If it all goes wrong
Darling just hold on
