Thinkin' 'bout goin' to town

Sick and tired of hangin' around this place

Waitin' on the blues to track me down

Bless my soul maybe I'm comin' around

F Fm C
Been lyin' low but maybe I'm comin' around

I've been runnin' nearly all of my life

Far and as fast as I can

It may sound funny but I'm thinkin' this might

Be about right where I came in

Well I don't know maybe I'm comin' around

Got a ways to go but maybe I'm comin' around

My heart's a little ragged but it's all that I got

So I'm gonna give it a try

Look out world I'm comin' ready or not
