

# Steve Earle - Down The Road

Tom: **G**

**G**  
On the blue side of evenin'

**Em** **G**  
When the darkness takes control

You start lookin' for a reason

**Em** **C** **G**  
To take your lonesome on down the road

**G**  
'Cause the night is filled with strangers

**Em** **C** **G**

All you need is one you know

**G**  
And if she ain't the one you're after

**Em** **C** **G**  
Keep on lookin' on down the road.

**D** **C** **G**  
Though the miles lay long behind you

**Em** **C** **G**  
You have still got miles to go

**G**  
How's love ever gonna find you

**Em** **C** **G**  
If it ain't here, it's down the road

## Acordes
