

Steve Earle - I Can Wait

Tom: A

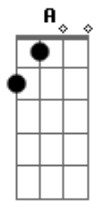

A Gbm
In the blink of an eye
Stars'll fall from the sky
E A
No one even notices
A Gbm
If you think it'll help
Dbm
I can walk out myself
E A
And we won't have to go through this
D E
If I pretend to hold you tight
A A Gbm
And out on the highway late some night
Dbm E
That's all right
A Gbm
If that's all that it takes
Dbm E
Even if my heart breaks
A
Darlin' I can wait
A Gbm
I have nothin' but time
Dbm
And this poor heart of mine
E A
Probably could use some rest
A Gbm

When the ghosts are all gone
Dbm
You can leave your light on
E A
Shinin' through the loneliness
D E
Just like a beacon in the night
A A Gbm
Brighter than any star in sight
Dbm E
But that's all right
A Gbm
For as long as it takes
Dbm
For that mornin' to break
E A
Darlin' I can wait

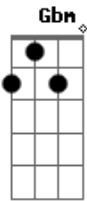

SOL0

D E
Out where the mountains meet the sky
A A Gbm
Feelin' so lonesome I could cry
Dbm E
But that's all right
A Gbm
Cause all the signs say
Dbm
You'll call me someday
E Gbm A Gbm Dbm E A
Darlin' I can wait
