

Steve Earle - Me And The Eagle

Tom: **D**

Intro: **D A G D**

The eagle looked (**D**) down on the river below (**D**)
 (**D**) And he wrapped his wings (**A**) round him, and he (**G**) fell
 like a stone
 And the big salmon (**D**) fought but the (**A**) talons held (**Bm**)
) true (**E**)
 (**D**) And he shuddered as the (**A**) world turned from (**G**) silver
 to blue (**D**)

(**D**) I stood there in awe though I'd seen it before
 I was born in these (**A**) mountains, And I'll (**G**) die here for
 sure
 I've travelled (**D**) around I've (**A**) seen city (**Bm**) lights (**E**)
)
 But (**D**) nothin' that (**A**) shined like the (**G**) big sky at (**D**)
) night

Some (**A**) mornings will find me up (**D**) above the timberline
 (**G**) Lonesome don't seem like much (**D**) once you're this high
 (**D**) When it's all said and done I (**A**) usually (**Bm**) find (**E**)
 (**D**) Me and the (**A**) eagle are (**G**) of the same (**D**) mind

Now when I was young I took me a wife
 But she never took to the high country life
 So now I'm alone I don't really mind
 But her name echoes down from the canyon sometimes

Rpt. Chorus

In my dreams there's a horse, He stands eighteen hands high
 He's as white as the snow and there's fire in his eyes
 And he'll bare only me though others have tried
 And together we'll travel up across the divide

Rpt. Chorus

Acordes
