

Steve Earle - More Than I Can Do

Tom: Bb

I'm trying hard to let you go
 But it's more than I can do
 And every day or two
 I wind up right back where I started
 I'm trying not to let you know
 That I'm still in love with you
 I can't just sit home blue
 Cause there ain't no rest for the brokenhearted
 Just because you won't unlock your door
 That don't mean you don't love me anymore
 I'm never gonna let you go
 No matter what you do
 Because you know it's more than I can do
