

# Steve Kroeger - Home (feat. Skye Holland)

tom:  
 A Dbm A A E B  
 We built a home that fell in pieces  
 Dbm A E B  
 I watched it burn 'cause you were leaving

A E Dbm B  
 You were like home, home to me  
 A E Dbm B  
 You were like home, home to me  
 A E Dbm  
 We built four walls for our love

B  
 But you broke them down, down, down  
 A E Dbm B  
 You were like home, home to me

A E Dbm B  
 You were like home, home to me  
 A E Dbm B  
 You were like home, home to me

A E Dbm B  
 No place comes close to where we once were  
 A E Dbm B

No dreams replace the life we almost shared  
 A E Dbm B  
 Now you're moving on, I can't let go  
 A E Dbm B  
 I'll pick up the love that you let fall

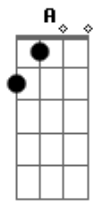

A E Dbm B  
 You were like home, home to me  
 A E Dbm B  
 You were like home, home to me

A E Dbm  
 We built four walls for our love

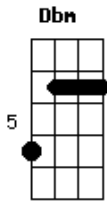

B  
 But you broke them down, down, down  
 A E Dbm B  
 You were like home, home to me

A E Dbm B  
 You were like home, home to me  
 A E Dbm B  
 You were like home, home to me  
 A E Dbm B  
 You were like home, home to me  
 A E Dbm B  
 You were like home, home to me
