

Steve Lacy - Helmet

tom:

[Primeira Parte]

Ooh, I'd been consumed
I'm not for sale, man, what the hell?
I been with you
And this ain't gon' last me forever

[Pre-Chorus]

All that I can be is me and all me
Time to get out, I don't want you around
All that I can see is you without me
No, I can't scold you, however

[Refrão 1]

I tried to play pretend (ooh)
Try not to see the end (ah)
But I couldn't see you the way you saw me
Now I can feel the waste on me
I tried my best to be worth all your while
You just gotta let me go as I'm tryna let go of you

[Ponte]

(C A Dadd9)

Dm
Shoo-doo, d-doo-doo-doo
C A
Doo-doo-doo, doo-doo-doo

(Dadd9 Bm)

[Segunda Parte]

Ooh, I'll be there soon
I'm kind of sad, what should I do? (What should I do?)
Guess I'll move on
Love won't harass me forever

[Pré-Refrão]

All that I could be is me and all me
Fuck all that nostalgia, been up on a downer
I can't make your eyes see, gon' be what it's gon' be
Don't come back around me, no, never

[Refrão 2]

You were so automatic
So you know I had to have it
But lovin' you was a hazard
So I got my heart a helmet
I tried my best to be worth all your while
You just gotta let me go as I'm tryna let go of you
Ooh

[Final]

Let me (let me)
Allow me to let go of you
Ooh
Let me
Let me (let me) go
Oh, no
Oh (oh), oh
Yeah
Fuck yeah
