

Steven Universo - Dear Old Dad / Darling Son

Tom: C

Dear old Dad remember when
 You would sing to me we could do it again
 Dear old Dad remember how
 I would sit on your shoulders well how bout it now
 Dear old Dad I was wondering why
 As I get older now as days keep going on by
 Dear old Dad remember this too
 In this whole wide world there's no one like

Yooooooooooooo

There's no one like Yooooooooooooo

My darling son I remember when
 I would sing to you and I would do it again
 Beloved child remember this too
 In this world of gems there's no one like
 Yooooooooooooo
 Yooooooooooooo
 Yooooooooooooo
 Yooooooooooooo
