

# Steven Universo - Escapism

Tom: G

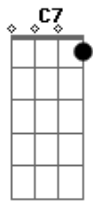

I guess I'll have to face  
 That in this awful place  
 I shouldn't show a trace of doubt  
 But pulled against the grain  
 I feel a little pain

That I would rather do without  
 I'd rather be free,  
 I'd rather be free,  
 free,  
 free,  
 From here
