

Steven Universo - Finale

```
Tom: C
           F
Here we are in the future
Here we are in the future and it's bright
          В
Nothing to fear, no one to fight
        В
               Ab
I can't believe we've come so far
       В
                          Ε
Happily ever after there we were, and here we are!
So happily we'll face
  E
Whatever comes our way
                 В
And after, we might do it all again. (Here we are in the
I'll be ready everyday, for as long I can say
             Dbm
I, I can make a change (Here we are in the future)
               Dbm
I, I can make a change (Here we are in the future)
              Dbm
I, I can make a change (Here we are in the future)
```

```
Here we are in the future (Here we are in the future)
                    D
Here we are in the future (Here we are in the future)
Here we are in the future (Here we are in the future)
                    D
Here we are in the future (Here we are in the future)
           F
Eb7M
Here we are, here we are
           Gm
Come so far, come so far
And it's bright, and it's bright, and it's bright
and it's bright, and it's bright, and it's bright!
[Key Change!]
                    F
                               Bb
                                       F
I'll be ready every day, for as long as I can say
Here I am in the future with my friends. (I can make a
change)
And that's why
Eb7M
 Happily ever after never...ends
```
