

Steven Universo - Finale

Tom: C

Here we are in the future
 Here we are in the future and it's bright
 Nothing to fear, no one to fight
 I can't believe we've come so far
 Happily ever after there we were, and here we are!
 So happily we'll face
 Whatever comes our way
 And after, we might do it all again. (Here we are in the future)
 I'll be ready everyday, for as long I can say
 I, I can make a change (Here we are in the future)
 I, I can make a change (Here we are in the future)
 I, I can make a change (Here we are in the future)

Here we are in the future (Here we are in the future)
 Here we are in the future (Here we are in the future)
 Here we are in the future (Here we are in the future)
 Here we are in the future (Here we are in the future)
 Here we are, here we are
 Come so far, come so far
 And it's bright, and it's bright, and it's bright
 and it's bright, and it's bright, and it's bright!
 [Key Change!]
 I'll be ready every day, for as long as I can say
 Here I am in the future with my friends. (I can make a change)
 And that's why
 Happily ever after never...ends
