## Steven Universo - Let?s Only Think About Love?

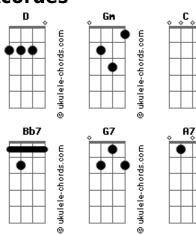

Tom: D We could think about flowers m Gm C Mom was a Diamond who invaded Earth We could think about cake Dm Gm Α **C7** Saw its beauty and its worth We could think about wonderful promises we have the power to Dm make Mom made an army and she fought herself Gm **C7** There's an awful a lot of awful things we could be thinking Bb Did that even end up mattering when she faked her own of! shattering? **C7** But for just one day let's only think about love Dm Gm Mom lived in hiding by the name of Rose **C7** F Bb But the friends she'd made, and the form she chose Maybe I shouldn't have picked up roses Dm Gm Bb Now all that's left of her exists in me Maybe a little... controversial Bb And I think that we can all agree C7 We could all rethink how we feel about Rose Gm Dm That is a little bit upsetting C7 Gm С I'd rather think about... a wedding! When it comes to Pink, and the things that she did in the past I suppose C7 Let's think about cake Yeah **C7** Or we both could feel better Let's think about flowers **C7** Because we could think about how Let's think about dressing up and dancing around for hours Gm C7 C Gm There's an awful a lot of awful things we could be thinking We could think about us **C**7 of! **G7** Gm C7 And we could think about now But for just one day let's only think about love **C7** No worries, Peridot is gathering more flowers right now Okay, Sapphire~! I'll go get her C I gotta get dressed for our big day now so... no peeking C But for just one day let's only think about... And no future vision either~! 0kay Peridot? Oh. Steven Dm What if Lapis was right? Bb7 **C7** I just wish I could've said something sooner about Rose and D Pink Sooner or later, the Diamonds are gonna come for the Cluster We are all gonna die here! We could think about lies That we told in the past We could think about war Dm We could think about fighting C7 We could think about hurt feelings Dm Δ We could think long lost friends we wish we were inviting And how long they can last We could think about the broken gems and the Cluster at the **C7** Or we can think about hope planet's core **D7** Or we could think about the bubble we made so that they can't Hope? be hurt You know I've been hoping **G7** Any- they can't be hurt anymore About what? **G7** We can think about joy 67 Gm That everything is better now We could think about pain We could think about sunshine Everything's out in the open Bismuth? We could think about rain Is that what you're wearing to the wedding? It's the nicest thing I own Dm G7 С There's an awful a lot of awful things we could be thinking of~! Looking sharp~!
