

# Steven Universo - Like a comet

Tom: C

<sup>C</sup>  
Some say I have no direction  
<sup>E</sup>  
That I'm a light-speed distraction  
<sup>G</sup>  
But that's a knee-jerk reaction  
<sup>F</sup> <sup>G</sup>

<sup>C</sup>  
Still this is the final frontier  
<sup>E</sup>  
Everything is so clear  
<sup>G</sup>  
to my destiny I steer  
<sup>F</sup> <sup>G</sup>

<sup>Am</sup> <sup>G</sup> <sup>F</sup>  
This life in the stars is all I've ever known  
<sup>G</sup> <sup>Am</sup> <sup>G</sup> <sup>F</sup>  
Stars and stardust in infinite space is my only home

<sup>C</sup> <sup>G</sup>  
But the moment that I hit the stage  
<sup>Am</sup> <sup>F</sup>  
Thousands of voices are calling my name  
<sup>Am</sup> <sup>G</sup> <sup>F</sup>  
And I know in my heart it's been worth it all of the while  
<sup>C</sup> <sup>G</sup>

And as my albums fly off the shelves  
<sup>G</sup> <sup>F</sup>  
Handing autographed pics of myself  
<sup>Am</sup> <sup>G</sup> <sup>F</sup>  
This life I chose isn't easy sure is one heck of a ride

<sup>D</sup> <sup>A</sup>  
At the moment that I hit the stage  
<sup>Bm</sup> <sup>G</sup>  
I hear the universe calling my name  
<sup>Bm</sup> <sup>A</sup> <sup>G</sup>  
And I know deep down in my heart I have nothing to fear

<sup>D</sup> <sup>A</sup>  
And as the solar wind blows through my hair  
<sup>Bm</sup> <sup>G</sup>  
knowing I have so much more left to share  
<sup>Bm</sup> <sup>A</sup> <sup>G</sup>  
a wandering spirit whose tearing its way through the cold  
atmosphere

<sup>D</sup>  
I'll fly like a comet  
<sup>D</sup>  
Soar like a comet  
<sup>D</sup>  
Crash like a comet  
<sup>D</sup>  
I'm just a comet
