

Steven Universo - Stroger Than You

```
This is who we are
Intro: Cm
This is Garnet
                                                              This is who I am
back together
                                                              If you think you can stop me
and I'm never goin' down to the hands of the
                                                              Then you need to think again
                                                              Because I am a feeling
likes of you
because I'm so much better
                                                              And I will never end
                 Cm
And every part of me is sayin' "Go get her"
                                                              and I won't Let you hurt my planet
                                                              And I won't let you hurt my friends
Two of us ain't going to follow your rules
                                                              Verso:
Come at me without any of your fancy tools
                                                              Go ahead and try to hit me if you're able
Let's go, just me and you
                                                                                      Fm
                                                              Can't you see that my relationship is stable
Let's go, just one on two
                                                                         Cm
                                                              I know you think I'm not someone you're afraid of
Verso:
                                                              Cause you think you see what I'm made of
Go ahead and try to hit me if you're able
                                                              But I am more than the two of them
          Cm
                      Fm
Can't you see that my relationship is stable
      Cm
                                                              Everything they care about is what I am
I can see you hate the way we intermingle
                                                                        Cm
                                                                                          G
                                                              I am their fury, I am their patience
But I think you're just mad cause you're single
                                                              I am their conversation
And you're not going to stop what we made together
