

Steven Universo - True Kinda Love

Tom: G

Intro: Bb

When a difficult day goes by
Keeping it together is hard, but that's why
You've got to try
You've got to try

And when, there's a thundering storm outside
Underneath the covers you huddle and hide
Open your eyes, open your eyes

It's the the true, it's the true, it's the true
Kinda love
It's the true, it's the true, it's the true
Kinda love

Stuck, when everything is changed
Everybody's looking for someone to blame
Like it's a game, like it's a game
And now I am better than win or lose
There's a new direction that I like to choose
It's called the truth, it's called the truth

Will you show me an unsolvable problem

We can get through this all
I'll do the hardest part with you

It's the the true, it's the true, it's the true
Kinda love
It's the true, it's the true, it's the true
Kinda love
