

# Steven Universo - We Deserve To Shine

Tom: G

We're small but we're strong  
 We're cool but we're kind, and  
 We deserve to shine!

We're gritty and tough!  
 We're smooth and refined, and  
 We deserve to shine!

We'll figure it out  
 There's plenty of time  
 For every body and every mind!  
 And every facet  
 To finally find that  
 We deserve to shine!

We deserve to shine!
