

Steven Universo - We Deserve To Shine

Tom: G

We're small but we're strong
 We're cool but we're kind, and
 We deserve to shine!

We're gritty and tough!
 We're smooth and refined, and
 We deserve to shine!

We'll figure it out
 There's plenty of time
 For every body and every mind!
 And every facet
 To finally find that
 We deserve to shine!

We deserve to shine!
