

## Steven Universo - What's The Use Of Feeling Blue

```
Tom: C
        E7 Am
  Am
ah ah ah, ah ah ah
ah ah ah ah ah ah (2x)
Why would you wanna be here?
What do you ever see here?
                                                               0hh
That doesn't make you feel worse than you do?
And tell me
what's the use of feeling, Blue?
                                          E7
Why would you want to employ her
                                                               0hhh
subjects that destroyed her?
Why keep up her silly zoo?
Oh, tell me
What's the use of feeling, Blue?
An army has a use, they can go and fight a war
A sapphire has a use, she can tell you what it's for
An agate terrifies, a lapis terraforms
Where's their diamond when they need her, Blue?
You've got to be a leader, Blue!
Yes, of course we still love her
