

Steven Wilson - Deform To Form A Star

Tom: **D**

(com acordes na forma de
Capotraste na 2ª casa

C)

= Alternative chords, better sound.

Intro: **Am E F G D E**

Am

Oh once in a while

Em

I learn how to smile

F G D E
Horses shadows and rain on stone

Am

No god here I'm sure

Em

This must be the cure

F G D E
For all this carrion and aimless drift

Am

Retreat from the begging

Em

And invites to the wedding

F G D E
Revelation means nothing here

Am

In time we forget our

Em

Need to devour

F G D E
All the stories of tortured souls

A Em
Crawl into your arms

A Em
Become the night forever

F G
Coiled and close, the moment froze

A Em
Deform to form a star

A Em
Here on earth together

F G
I got time to share and a well used stare

Am

This smile isn't pure

Em

Certain or sure

F G D E
Cold precision was never there

Am

The way we uncoil

Em

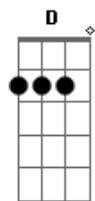

Return to the soil

F G D E
Flaws are everything and chaos reigns

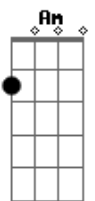

After Crescendo

A| - **F** - **G** - A
