

Steven Wilson - Drive Home

Tom: C

Em A
Cold windowpane
F C D
Car up turned in rain
Em A
Wait on in vain
F C D
Don't try to bear the blame
Em A
Deal with the pain
F C Ebm D
Dust down your wings again

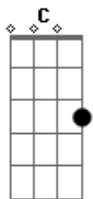

Em
You need to clear away
C
all the jetsam in your brain
A A
And face the truth
Em
Well love can make amends
C
While the darkness always ends
A
You're still alone
A

So drive home

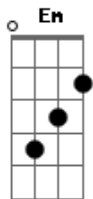

Em A
Pause without end
F C D
Moment in time suspends
Em A
How could she leave?
F C D
Release all your guilt and breathe
Em A
Give up your pain
F C D
Hold up your head again

Em
You need to clear away
C
all the jetsam in your brain
A A
And face the truth
Em
Well love can make amends
C
While the darkness always ends
A
You're still alone
A
So drive home
