Until the day that is the day that are no more

Refrão 3:

Until the day the earth starts turning right to left
Until the earth just for the sun denies itself
Until dear Mother Nature says her work is through

(Solo de Piano)

Interludio:

We all know sometimes life's hate and troubles
Can make you wish you were born in another time and
space
But you can bet your life times that and twice its
double
That God knew exactly where He wanted you to be placed
So make sure when you say you're in it but not of it
You're not helping to make this Earth a place
sometimes called Hell
Change your words into truths and then change that
truth into love
And maybe our children's grandchildren

I'll be loving you...

(Repete refrões 1, 2 e 3)

Always...

(Repete refrões 1, 2 e 3)

(Repete refrões 1, 2 e 3 até o fade)
