tom:

C
Do do do do woh woh do do do dum do

C C7 F C C7 F
As around the sun the earth knows she's revolving

C C7 Bb
And the rosebuds know to bloom in early May

C C7
Just as hate knows love's the cure

F
You can rest your mind assure

Am Bm E7
That I'll be loving you always

(Am Am Dm G)

C C7 F
As now can't reveal the mystery of tomorrow

C C7 Bb
But in passing will grow older every day

C C7
Just as all is born is new

F
Do know what I say is true

Am Bm E7 Am Am Dm G
That I'll be loving you always

Am E7 Am D7
Until the rainbow burns the stars out in the sky (always)

Until the ocean covers every mountain high (always)

Until the dolphin flies and parrots live at sea (always)

Until we dream of life and life becomes a dream

C C7 F
Did you know that true love asks for nothing

C C7 Bb
Her acceptance is the way we pay

C C7 F
Did you know that life has given love a guarantee

C C7 Bb
To last through forever and another day

C C7 F
Just as time knew to move on since the beginning

C C7 Bb
And the seasons know exactly when to change

C C7
Just as kindness knows no shame

F
Know through all your joy and pain

Am Bm E7 Am Am Dm G
That I'll be loving you always

C C7 F
As today I know I'm living but tomorrow

C C7 Bb
Could make me the past but that I mustn't fear

C C7
For I'll know deep in my mind

F
The love of me I've left behind

Am Bm E7 Am Am Dm G
Cause I'll be loving you always

Am E7 Am D7
Until the day is night and night becomes the day (always)

Until the trees and seas just up and fly away (always)

Until the day that 8x8x8 is 4 (always)

Until the day that is the day that are no more

Did you know that you're loved by somebody?

Until the day the earth starts turning right to left (always)

Until the earth just for the sun denies itself

I'll be loving you forever

Until dear Mother Nature says her work is through (always)

Until the day that you are me and I am you (always)

Until the rainbow burns the stars out in the sky (always)
