Verse 1:

C
They say that heaven is;
Am
10 zillion light years away,
Dm
And just the pure at heart,
G7
Will walk her, righteous streets, someday.

C
They say that heaven is;
Am
10 zillion light years away,
Fdim
But if there is a God;
F7 **Em**
We need Him now; "Where is your God?"
F7 **Ab** **Am7**
That's what my friends ask me.
D7 **Dm**
And I say it's taken him so long,
F **C**
'Cos we've got so far to come.
Tell me people;

Verse 2:

C
Why can't they say that hate is;
Am
10 zillion light years away?
Dm
Why can't the light of good,
G7
Shine God's love in every soul?

C
Why must my colour black;
Am
Make me a lesser man?
Fdim
I thought this world was made,
F7 **Em**
For every man, he loves us all;
F7 **Am** **Ab** **Am7**
That's what my God tells me.
D7 **Dm**
And I say it's taken him so long,
F **C**
'Cos we've got so far to come.

Chorus 1:

C
But in my heart I can feel it,
Am
Feel his spirit, woah oh woah oh,
C **Am**
Feel it, yeah, feel his spirit.
