

Stevie Wonder - Hey Love

Tom: **Eb**

C C
 Hey love
 May I have a word with you?
 I'd like to tell you, yeah
 Just what I've been going through
 My nights are so long
 As I watch each hour go by
 Hoping and praying
 That someday I will be your guy

F Gb
 Hey love
 You're my one true soul desire

F Gb
 Hey love, baby
 Can you feel this burning fire

C C
 Hey love

There's one thing I find so true
 When you are near me
 I go through a change or two
 Hearing your footsteps
 I hurry to catch your eye
 And I stand there waiting, yeah
 But girl, you just walk on by

F Gb
 Say love
 With a cold heart you are dealing

F Gb
 Hey love, yeah
 It's an awful hurting feeling

C C
 Hey love
 Don't pass me without some sign
 Just look me over, yeah
 I want to change your mind
