

Stevie Wonder - My Love

Tom: G

Intro: Gb Bbm B Db7

My love is warmer than a smile
 My love gives to every needing child
 If anyone should ask you
 who's my true love
 Tell them my love true
 Is ever letting all their love
 come through
 My love sees love with not a face
 And lives to love through time and space
 If all of everything about my love
 Fits to the tune of you
 Then you can say that you are
 my love too
 Let my love shine
 throughout the world
 To every mountain top and steeple
 Let it be felt by every soul
 'Til love's all o____ver
 Let it reach out
 to every heart
 To every disenfranchised people
 'Til it is present and no more
 Is pain all o____ver

Our love sees love's the key to peace
 We'll pray 'til all world wars have ceased
 Should you or anyone you know enough
 To say they feel as we
 Then let our universal song be free
 Let our love shine
 throughout the world
 To every mountain top and steeple
 Let it be felt by every soul
 'Til love's all o____ver
