

Stick Figure - Sound Of The Sea

tom:

Intro: Dbm B Bm Gb

[Primeira Parte]

This boats sinking, down to the ocean floor

I'm still drinking, drinking from the night before

I'm wishing, I'm wishing right now I was fishing

I'm thinking, I'm thinking but my mind's not listening

I never felt so far away

I never lived before today

It's been a while, since I've seen your face

It's been a while, time to turn the page

[Refrão]

I wanna go home, I want to go home

I want to feel the way I did

I want to go home, I want to go home

Back, back to the way it was

[Segunda Parte]

I got a feeling, and this feeling won't go away

I'm not leaving, I'm waiting for a brighter day

And I believe it, that good things are coming our way

So keep dreaming, I'm feeling like I'm dreaming always

It never felt so strange to me

My guitar is all, all I need

It's been a while, since I've been down this road

And it's been a while, good things come and go

[Ponte]

If the sun is getting closer

Then why does it feel cold?

And in the eyes of the world, I'm older

I can't take it much longer

[Refrão]

I wanna go home, I want to go home

I want to feel the way I did

I want to go home, I want to go home

Back, back to the way it was

(Dbm B Gb)

Just a little bit longer

The music making us stronger

Just a little bit longer

The music making us stronger

Just a little bit longer

The music making us stronger

Just a little bit longer

In the eyes of the world

Acordes
