[Verse]

Db7 **E** **Ab7** **Gb7**
 I take the brakes off
 And I ride
 Whatever takes us
 Oh to get high
 I chase the devil oh yeah yeah yeah
 Into the sky
 Cause he's the one who taught me
 How to fly

[Chorus]

I forget my name
 Cause all the same
 C|-c-c-co-c-caine
 Oh I forget my name
 Oh I forget my na-a-a-me~
 Oh cause its all the same
 C|-c-c-co-c-caine
 Oh I forget my name

[Verse]

I take the brakes off.
 And ride..
 Oh then the day starts
 To get high

[Chorus]

Oh I forget my name
 Cause its all the same
 C|-c-c-co-c-caine
 I forget my name
 Oh I forget my name
 Cause its all the same
 C|-c-c-co-c-caine
 I forget my name

[Bridge]

[See, I drink the venom to release the pain
 Chain smoking
 I suffocate
 Cause we be rebels
 The beast untamed
 part
 Sticky fingers
 Don't forget the name]

Make up your own fills for this

[Chorus]

Cause its all the same
 C|-c-c-co-c-caine
 I forget my name
 I forget my na-a--ame~
 Cause its all the same
 C|-c-c-co-c-caine
 oh I forget my name
 oh I forget my name
