Ab **Fm** **Eb** **G**

[Primeira Parte]

I want you to be at peace, I see you mask the pain
G **Ab** **Eb**
How long can you keep it up inside a hyper brain?
Fm **Eb**
When you're comin' down and crashin', I won't look the other way
Bb
It's gonna happen one of these days
Ab **Eb**
He's only gettin' busier, this drink is not the same
G **Ab**
You think you're at your happiest, you threw your money away
Fm **Eb**
My friend is on a mission and he's setting it ablaze
Bb
It's gonna happen one of these days

[Refrão]

You're backed into a corner full of
Gm **Ab** **Eb**
Cold in the dark, you're breakin' my heart
Fm **Cm** **Gm** **Ab**
Strung out, what you doin' playin', playin' fragile games?
Ab **Eb**
This world has got a hold on you
Gm **Ab** **Cm**
They're wearin' them scars, they're playin' guitars
Fm **Cm**
Strung out, what you doin', player? We know you're actin'
Gm **Ab**
Sane

[Segunda Parte]

It manifests inside ya, I see you're out of touch
Ab **Eb** **G** **Ab**
What's left to talk about it? And how long will it take to bust?

The tension's growin' heavier, you're flowin' into rust
Fm **Eb**
And I can't be behind you if you run the other way
Bb **Ab** **Eb**
You think they got your back, but how much do you trust?
G **Ab**
Let's take a look for memories, there's nothin' there you love
Fm **Eb**
We're livin' up and high and usin' again
Eb **Bb**
Losin' your sight, you'll be makin' new friends
Bb
Never been one to be chasin' another
Bb
But don't forget us, my brother

[Ponte]

If you wanna drive and go the wrong way
Ab **Eb** **G** **Ab**
Then you don't wanna put the brakes on
Fm **Eb** **Bb**
And I'm telling you, you're gonna crash one of these days
Ab **Eb**
Your eyes are looking heavy so I think it's necessary
G **Ab**
Let me help you turn the lights on
Fm **Eb** **Bb**
'Cause I'm telling you, it's brighter this way
