**D Db7**  
I leave my pride inside oblivion, don't take yourself so serious  
**Gbm Bm**  
Life is just a game so you can share all your fears without this

**D Db7**  
Theres peace within this harmony that flows within the core of me  
**Gbm Bm D**  
Grows up in my mind, apples out of another's apple tree  
**Db7 Gbm**  
So have a laugh,  
**Bm D Db7 Gbm Bm**  
Or get blasted out to space

We're all the same on the level round the way
