

# Sticky Fingers - Love Song

tom:  
Intro: Am G C F  
Am G C F

Won't cut you loose yet, we're digging out a home  
Although my lines don't change and you're set on breaking it off  
I best forget though I still miss you  
Dreaming of a day I ain't living like a plastic bag

It's the right thing  
Feel the tightening  
If you're gone I'm already there

It's the wrong thing  
Feel the tightening  
All the love lost I know it's there

[Am C G F]X2

I used to push, I was tougher then love digs the shovel's gone

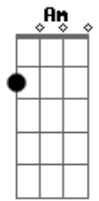

I used to push like a Camelot, now I'm set in stone  
I best forget though I still miss you  
When life feels so vacant I can't taste it

It's the right thing  
(For the lost, for the lazy)  
Feel the tightening  
If you're gone I'm already there  
(And you don't care)  
It's the wrong thing  
Feel the tightening  
All the love lost I know it's there

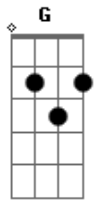

Woah, ooh

[Final] Am G F  
Am C G F  
Am G F  
Am G F C G
