When I'm lying in her arms
 I'll be thinking bout you

 Even when she cries,

 I'll be thinking about you, babe

[Chorus]

Even though I only see you on the TV screen
 With all those boys, and your toys, And your pleased scream
 I'll easy spend up all this loving for my dream girl
 I don't want to share

[Verse]

When I'm lying in her arms,
 I'll be thinking bout you
 I'll be thinking about you, babe
 I'll be thinking about you, babe
 And even when its wild,
 I'll be thinking bout you
 I'll be thinking about you, babe
 I'll be thinking about you, babe

[Chorus]

I'm in love with that girl on page 16
 Centrefold in that old paper magazine
 Even when under these circumstances
 Her curves don't compare

[Verse]

I'll be thinking about you
 i'll be thinking about you
 When I'm lying in her arms
 I'll be thinking bout you
 I'll be thinking about you, babe
 I'll be thinking about you, babe
 When your with that other guy
 I hope your thinking bout me
 I hope your thinking bout me
 Cause I'm thinking about you, babe.
