

Stiff Little Fingers - Suspect Device Live

Tom: A

this is where he sings 'Inflammable material...'Verse

Chorus:

Bridge:

Then there a werid kinda false chorus where he goes 'Don't believe them, Dont belive I tell you question everything youre toooooooollllldd!' where he does this...

Then it goes back into the verse.This is basically it, its all made up of these 4 riffs. I can't think of the order, I'l and post it later, please rate this!

Acordes
