

Still Feel - Half Alive

tom:

G

When I'm furthest from myself (far away)

Am G

Feeling closer to the stars (outer space)

Am G

I've been invaded by the dark (can't escape)

Am

Trying to recognize myself when I feel I've been replaced

Am G

When I'm furthest from myself (far away)

Am G

Feeling closer to the stars (outer space)

Am G

I've been invaded by the dark (can't escape)

Am

Trying to recognize myself when I feel I've been replaced

F

Oh-oh-oh-oh

E7 Am

I can feel a kick down in my soul

Dm F

And it's pulling me back to earth to let me know

E7 Am

I am not a slave, can't be contained

C Dm Fm Em

So pick me from the dark and pull me from the grave

'Cause

Am F

I still feel alive

Dm C Em

When it is hopeless, I start to notice

Am F

And I still feel alive

Dm C Em

Falling forward, back into orbit

Am G

So, when I lose my gravity in this sleepy womb

Am G

Drifting as I dream, but I'll wake up soon

Am G

To realize the hand of life is reaching out

Am

To rid me of my pride, I call allegiance to myself

F

Oh-oh-oh-oh

E7 Am

But I can feel a kick down in my soul

Dm F

And it's pulling me back to earth to let me know

E7 Am

I am not a slave, can't be contained

C Dm Fm Em

So pick me from the dark and pull me from the grave

'Cause

Am F

I still feel alive

Dm C Em

It is hopeless, I start to notice

Am F

And I still feel alive

Dm C Em

Falling forward, back into orbit

Am F

I still feel alive

Dm C Em

It is hopeless, I start to notice

Am F

And I still feel alive

Dm C Em

Falling forward, back into orbit

F

Oh-oh-oh-oh

E7 Am

But I can feel a kick down in my soul

Dm F

And it's pulling me back to earth to let me know

E7 Am

And this heart that beats inside of me will show

Dm

It will show

Am G

Floating in outer space, have I misplaced a part of my soul?

Am G

Lost in the in-between, or so it seems, I'm out of control

Am G

Floating in outer space, have I misplaced a part of my soul?

Am G

Lost in the in-between, but it can't keep me asleep for long,

'cause

Am F

I still feel alive

Dm C Em

When it is hopeless, I start to notice

Am F

And I still feel alive

Dm C Em

Falling forward, back into orbit

Am F

I still feel alive

Dm C Em

When it is hopeless, I start to notice

Am F

And I still feel alive

Dm C Em

Falling forward, back into orbit

Am F

I still feel alive (I can feel it)

Dm

When it is hopeless (it ain't hopeless)

C Em

I start to notice (start to notice)

Am F

I still feel alive (I can feel it)

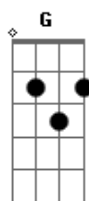

Dm

Falling forward (falling forward)

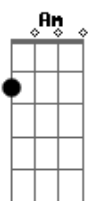

C

Back into orbit (yeah)
