And you hugh yourself on the cold cold ground

Am Bm

You wake the morning in a stranger's coat

Em Em Em

No one would you see

You ask yourself, who'd watch for me

Em Em

My only friend, who could it be

C

It's hard to say it

B7 Em Em

I hate to say it, but it's probably me

When your belly's empty and the hunger's so real
And you're too proud to beg and too dumb to steal
You search the city for your only friend
No one would you see

You ask yourself, who could it be
A solitary voice to speak out and set you free
I hate to say it
I hate to say it, but it's probably me

Am D

You're not the easiest person I ever got to know

G G Am Em D Am

And it's hard for us both to let our feelings show

Bm

Some would say I should let you go your way

G G

You'll only make me cry

Am Bm Gmaj9

If there's one guy, just one guy

Em Em

Who'd lay down his life for you and die

C

It's hard to say it

B7 Em Em Em Em

It's hard to say it, but it's probably me

When the world's gone crazy and it makes no sense
There's only one voice that comes to your defense
The jury's out and your eyes search the room
And one friendly face is all you need to see
