

Sting - Mad About You

Tom: C
Intro:

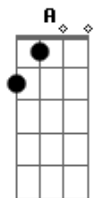

Am Am
A stone's throw from Jerusalem
F E
I walked a lonely mile in the moon light
Am Am
And though a million stars were shining
F E
My heart was lost on a distant planet
Am Am
That whirls around the April moon
F E
Whirling in an arc of sadness
Am Am E E
I'm lost without you I'm lost without you
F Dm
Though all my kingdoms turn to sand
Adim7 E
And fall into the sea
Am Am F E Am
I'm mad about you I'm mad about you

And from the dark secluded valleys
I heard the ancient songs of sadness
But every step I thought of you
Every footstep only you
And every star a grain of sand
The leavings of a dried up ocean
Tell me, how much longer? How much longer?

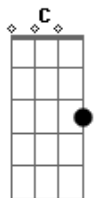

They say a city in the desert lies
The vanity of an ancient king
But the city lies in broken pieces
Where the wind howls and the vultures sing
These are the works of man
This is the sum of our ambition

It would make a prison of my life
If you became another's wife
With every prison blown to dust
My enemies walk free
I'm mad about you I'm mad about you
C E7
And I have never in my life
A
Felt more alone than I do now
B? F
Although I claim dominions over all I see
C
It means nothing to me
Dm
There are no victories
Adim7 E E7
In all our histories, without love
A stone's throw from Jerusalem
I walked a lonely mile in the moonlight
And though a million stars were shining
My heart was lost on a distant planet
That whirls around the April moon
Whirling in an arc of sadness
I'm lost without you I'm lost without you
F Dm
And though you hold the keys to ruin
Adim7 E
Of everything I see
F Dm
With every prison blown to dust,
Adim7 E
My enemies walk free
F Dm
Though all my kingdoms turn to sand
Adim7 E
And fall into the sea
Am Am F E Am
I'm mad about you I'm mad about you
