Stone Sour - Bother

```
                     tom:
                      G
         Afinação: Eb Ab Db Gb Bb Eb
Intro: Em  D
```

[Primeira Parte]

```
 Em      D        Em        D
Wish I was too dead to cry
    Dadd9               Em      D
My self-affliction fades
 Em       D      Em     D
Stones to throw at my creator
  Dadd9          G       D
Masochists to which I cater
```

[Refrão]

```
 Em              Dadd9
You don't need to bother
 Em              Badd9
I don't need to be
 Em              Dadd9
I'll keep slipping farther
       C
But once I hold on
   D                 Em
I won't let go 'til it bleeds
```
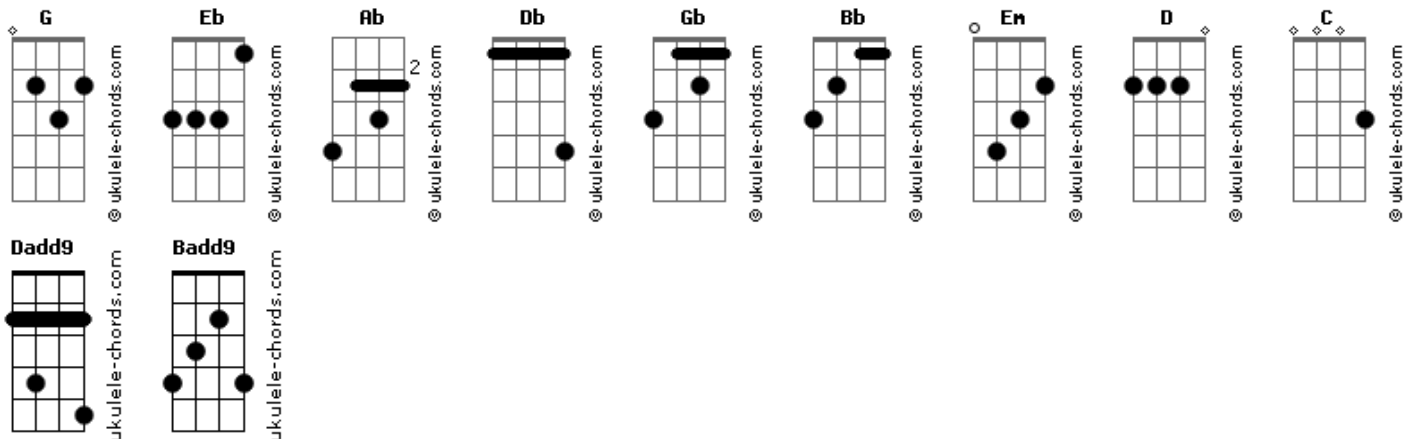

```
( Em   D )
```

```
 Em      D        Em        D
Wish I was too dead to care
    Dadd9               Em      D
If indeed I cared at all
 Em      D     Em        D
Never had a voice to protest
  Dadd9          G       D
So you fed me shit to digest
```

[Ponte]

```
 Em
I wish I had a reason
 Badd9
My flaws are open season
 C
For this, I gave up trying
 G            D
```

```
One good turn deserves my dying

 Em              Dadd9
You don't need to bother
 Em              Badd9
I don't need to be
 Em              Dadd9
I'll keep slipping farther
       C
But once I hold on
   D                 Em
I won't let go 'til it bleeds
```

[Solo]

```
( Em   D )
```

```
 Em      D    Em        D
Wish I'd died instead of lived
    Dadd9          Em      D
A zombie hides my face
 Em          D
Shell forgotten
 Em          D
With its memories
 Dadd9
Diaries left
 G            D
With cryptic entries
 Em              Dadd9
You don't need to bother
 Em              Badd9
I don't need to be
 Em              Dadd9
I'll keep slipping farther
       C
But once I hold on
   D                 Em
I won't let go 'til it bleeds
```

```
 Em              Dadd9
You don't need to bother
 Em              Badd9
I don't need to be
 Em              Dadd9
I'll keep slipping farther
       C
But once I hold on
   D                 Em
I'll never live down my deceit
```
