

Stone Sour - Hell Consequences

Tom: **G**

Album: Come What (ever)May
Tunning: Drop **B** (**B** **Gb** **B** **E** **Ab** **Db**)
Tabber: Majin Gaara

This song is awesome, Solo was hard to tab by ear
so give me some credit i got 90% of it right though
I hope everyone gets a chance to listen to it when this album
comes out.
might wanna check it out as for everything else enjoy!

BRIDGE

SOLO

Rythem guitar plays this
for the whole solo

(Use whammy bar alot on this solo, listen to song for
parts to use it on)

(This ending part is definatly wrong, very hard to tell
becuase of the speed)

(I probably messed up a bit here at the end to
but the whole solo is 90% correct)
