Somethings are better of forgotten

And bury them in places that we really only visit by ourself  
D G D Em7  
Oh and you were perversion like no other

C  
Oh they never tell you what to do and all you see is gone  
D  
What's the sense in anything when what they say is wrong!

Em7 C D  
Ooooooh, what do you wanna hear?

Em7 C  
Do you wanna know how many times I tore myself apart cause  
you're not here

Em7 C D  
Ooooooh, what do you wanna know?

Em7 D G C D  
Does it make you feel alive? I had to die to finally let you  
go

Afinação: Eb Ab Db Gb Bb

(same chords as first verse)

Stop me, I find myself believing  
Oh the story gets rewritten so, blasphemy is permitted once  
again  
Oh and you were so perfectly imperfect  
Oh they never tell you what to do when all you have are lies  
What's the sense in anything it's just one more goodbye

Oooooh, what do you wanna hear?  
Do you wanna know how many times I tore myself apart cause  
you're not here  
And oooooh, what do you wanna know?  
Does it make you feel alive? I've had to die to finally let  
you go  
Oh yeah!
