

# Stone Sour - Miracles

Tom: G

Intro: 2x: Em D C G

Em

I've seen it all and I know better

Em D C G

I've felt the bitterness and pain

Em

My soul keeps changing like the weather

Em D C G

The only constant is the rain

Em

I know your black and white intentions

Em D C G

There's no room for shades of gray

Em

I never asked you to conform to me

Em D C G

I only beg for you to stay

D G C Em

I waited here tonight for you to come

D C

But your love just disappeared

D G C Em

Waiting in the dark for miracles

D G C Em

But miracles don't happen here

D G C Em

Miracles don't happen here

D C

Miracles don't happen here

Em

I still have dreams that we're together

Em D C G

And I can still taste your skin

Em

Reminders all around surrounded by your light

Em D C G

I don't want to die again

Em

I don't deserve to be discovered

Em D C G

I don't deserve to know you care

Em

I only want my promised other

Em D C G

Not someone who isn't there

D G C Em

I waited here tonight for you to come

D C

But your love just disappeared

D G C Em

Waiting in the dark for miracles

D G C Em

But miracles don't happen here

D G C Em

Miracles don't happen here
