

Stone Sour - Through The Glass

Tom: **G**

Riff:

Refrão 1: (Riff)

I'm looking at you through the glass...
 Don't know how much time has passed
 Oh god it feels like forever
 But no one ever tells you that forever
 Feels like home, sitting all alone inside your head

Verso 1:

How do you feel? That is the question
 But i forget.. you dont expect and easy answer
 When something like a soul becomes
 Initialized and folded up like paper dolls and little notes
 You cant expect to bitter folks
 And while your outside looking in
 Describing what you see
 Remember what you're staring at is me

Refrão 2:

Cause I'm looking at you through the glass...
 Don't know how much time has passed
 All i know is that it feels like forever
 When no one ever tells you that forever
 Feels like home, sitting all alone inside your head

Verso 2:

How much is real? So much to question
 And never dare make up the mannequins
 Contaminating everything
 When thought came from the heart
 It never did right from the start
 Just listen to the noises
 (No more sad voices)
 Before you tell yourself
 Its just a different scene
 Remember its just different from what you've seen

Refrão 3:

I'm looking at you through the glass...
 Don't know how much time has passed

Acordes

Oh god it feels like forever

 When no one ever tells you that forever
 Feels like home, sitting all alone inside your head
